# A special evening of 100 stars

TIME HAS ALWAYS BEEN RECOGNIZED for its power to convene the brightest minds, the most intriguing entertainers and all those whose impact you feel even if you've never heard their names. And there is no better showcase of influence and excellence than the TIME 100.

Nearly 350 honorees and guests at this year's TIME 100 Gala on April 26 in New York City were treated to performances by Ariana Grande and Nicki Minaj. Toasts by actor and comedian Melissa McCarthy, Formula One driver Lewis Hamilton, Congolese physician Denis Mukwege, activist Caitlyn Jenner and Ford Foundation president Darren Walker amused, moved and inspired.

This incredible evening would not have been possible without the support of five sponsors: Cadillac, Citi, AT&T, Marc Jacobs Beauty and Johnnie Walker. They are excellent partners, and I want to thank them on behalf of TIME and the TIME 100.

What's next? We'll keep TIME center stage, with new live events around the world; new platforms like Motto, reaching millennial women; and our coverage of virtual reality, a frontier all its own. To all our honorees, sponsors and audiences, thank you.
