[Bracing for payroll](#)

## Getting to Know Each Other

Discovering the lingo

Understanding what goes where

## Opening Up, Closing Down

Getting back in

Activating your file (first time around)

Activating your file (again and again)

Packing up and going home

## Getting Help, Right Now

## Chapter 2: Accounts, Customers and Suppliers

### Designing Your Accounts List

Delving deep into accountant-speak

Understanding account types

Adding your first new account

Thinking about that pot of gold

Analysing cost centres and profitability

### Keeping Your Accounts List Looking Good

Putting things in order

Grouping apples with apples

Painting by numbers

Getting totalled

### Creating New Customers and Suppliers

Defining base rules

Entering contact details

Organising customers into groups

Adding customer details

Getting supplier details spot on

Viewing customer and supplier details

### Looking After Your Lists

[Making changes](#)  
[Deleting accounts, customers or suppliers](#)  
[Making accounts, customers or suppliers inactive](#)  
[Merging two into one \(ah, young love\)](#)  
[Getting rid of pesky linked accounts](#)  
[Hunting for that needle in the haystack](#)

[Looking Up Transactions for Accounts, Customers or Suppliers](#)

## [Part II: Everyday Activities](#)

### [Chapter 3: Making Sales](#)

#### [Recording Your First Sale \(Yippee!\)](#)

[Setting up services in your Items List](#)  
[Billing for hours worked or items sold](#)  
[Providing a service](#)  
[Taking a professional bent](#)  
[Billing for every split second](#)  
[Getting invoices how you want 'em](#)

#### [Meeting GST Requirements](#)

[Sticking to the letter of the law](#)  
[Taxing your brain, taxing your prices](#)  
[Picking your poison](#)  
[Calculating GST backwards](#)

#### [Looking Things Up](#)

#### [Digging Yourself Out of a Hole](#)

[Changing or deleting invoices](#)  
[Reversing invoices](#)  
[Raising credit notes](#)

#### [Working with Quotes and Sales Orders](#)

#### [Printing Invoices and Credit Notes](#)

[Exploring your options](#)  
[Selecting the right form for each occasion](#)  
[Battling the printing blues](#)

## Emailing Sales

### Chapter 4: Here Comes the Money

#### Seeing How Much You're Owed Yippee! A Customer Has Paid Up

Recording customer payments

Getting up to speed

Finding customer payments

#### Grouping Customer Payments

Setting up an account for undeposited funds

Depositing funds into your bank account

Deleting undeposited fund transfers

#### Building Your Survival Kit

Changing customer payments

Deleting customer payments

Reversing customer payments

Dealing with underpayments

Sorting out overpayments

Matchmaking credits with their debits

Accepting payments in advance

#### Yee Haa! Someone Else Has Given You Money

Recording income that's not from customers

Figuring out which account to pick

Recording bank interest

Choosing the correct tax code

#### Sending Customer Statements

Getting the ball rolling

Choosing your statement type

Smartening up your statement

#### Chasing Money

[Set credit limits](#)

[Show no mercy — cut 'em off](#)

[Plead, threaten and sweet-talk](#)

[Keep notes of every call and every promise](#)

[Know when to cut your losses](#)

## [Chapter 5: There Goes Your Cash!](#)

### [Recording Expenses](#)

[Spending money? That's the fun bit](#)

[Picking the right expense account](#)

[Splitting an expense across more than one account](#)

### [Managing Your Bank Accounts](#)

[Dealing with multiple bank accounts \(Bahamas, here we come\)](#)

[Transferring money from one account to another](#)

[Keeping track of your bank balance](#)

### [Understanding GST \(You'll Be the Only One\)](#)

[Choosing the right code](#)

[Getting tax codes right, automatically](#)

[Calculating GST backwards](#)

### [Locating Transactions](#)

[Badgering the Bank Register](#)

[Flipping out with Find Transactions](#)

### [Covering Your Tracks](#)

[Deleting transactions](#)

[Changing transactions](#)

[Reversing transactions](#)

### [Playing with Plastic](#)

[Owning up to your credit cards](#)

[Confessing your spending](#)

[Paying the price](#)  
[Hanging by a thread](#)

### [It's a Petty Business](#)

[Robbing Peter to pay Paul](#)  
[Lock it up, tie it down](#)  
[GST — when petty cash gets pettier](#)

### [Shortcuts for Regular Payments](#)

[Setting up a recurring transaction](#)  
[Recording recurring transactions](#)

## [Chapter 6: Purchases and Supplier Payments](#)

### [Deciding Whether You Need This in Your Life](#) [Recording Purchase Orders and Bills](#)

[Ordering up big time](#)  
[Receiving goods when there's still no bill](#)  
[Receiving a bill \(items only\)](#)  
[Recording bills for services, not items](#)

### [Sending Purchase Orders](#)

[Giving your purchase order a makeover](#)  
[Printing purchase orders](#)  
[Emailing and faxing purchase orders](#)

### [Understanding GST](#)

[Picking the right tax code for the job](#)  
[Calculating GST backwards](#)  
[Persuading GST to calculate correctly](#)

### [Getting Everything Just Right](#)

[Deleting purchases — zap, they're gone!](#)  
[Entering credit notes](#)  
[Changing your mind](#)  
[Reversing everything](#)

## Paying the Piper

- Facing the music (how much do you owe?)
- Tweaking your Payables reports
- Recording supplier payments
- Paying suppliers electronically
- Taking the short road home

## Letting Suppliers Know You've Sent the Dosh

### Why You Need to Reconcile Accounts

#### Which Accounts to Reconcile

#### Getting Ready to Reconcile

- Listing uncleared transactions
- Recording bank opening balances

### Reconciling Your Bank Account

#### Troubleshooting Tricks

- Identifying your starting point
- When you're faced with a big, black hole
- If you've forgotten bank charges or interest
- When stuff disappears but you know it's there
- Entering missing transactions on the fly
- Fixing mistakes on the run
- Dealing with transactions that can't be changed

[Ditching old transactions that won't go away](#)

[When Your Bank Account Just Won't Balance](#)

[Tricks to try before you kick the cat](#)

[Tricks to try before you kick the computer](#)

[Tricks to try before you kick the bucket](#)

[Undoing the previous reconciliation](#)

[Keeping Good Records](#)

[Chapter 8: Managing Items](#)

[Placing Your Bet on the Right Horse](#)

[Working With Your Items List](#)

[Creating a new item](#)

[Adding extra descriptions](#)

[Specifying whether you buy, sell or stock items](#)

[Telling things where to go](#)

[Setting up supplier details](#)

[Getting items organised](#)

[Creating new items from other items](#)

[Doing Your First Head Count](#)

[Counting is as easy as 1, 2, 3 . . .](#)

[Making sure you got it right](#)

[Giving Your Items List the Once-Over](#)

[Finding item descriptions and details](#)

[Viewing item transactions](#)

[Changing items](#)

[Deleting items](#)

[Pricing to Sell](#)

[Pricing one item at a time](#)

[Pricing a few items at a time](#)

[Pricing lots of items in one hit](#)

[Offering special deals](#)

[Thinking about GST and your item prices](#)

[Fixing Things Up When Stuff Goes Wrong](#)

[Adjusting the quantity of an item](#)

[Adjusting the cost of an item](#)

[Finding solutions when MYOB doesn't let you do an adjustment](#)

[Standing Up and Counting Down](#)

[Getting ready for D-Day](#)

[Doing the grand reckoning](#)

[Balancing Your Inventory](#)

[Chapter 9: Saving Money on Payday](#)

[Getting a Head Start](#)

[Picking a date](#)

[Surviving the Easy Setup interview](#)

[Setting up employee details](#)

[Setting up standard pays](#)

[Setting Up Wages Categories](#)

[Paying Up](#)

[Doing your first pay run](#)

[Working with timesheets](#)

[Producing payslips](#)

[Keeping everything sweet](#)

[Deleting pays](#)

[Taking a Siesta](#)

[Setting up annual leave](#)

[Preparing for the plague](#)

[Catching up on what's already owed](#)

[Paying annual leave or personal leave](#)

[Fixing up leave when it's up the spout](#)

## Planning for Super

- Setting up your super categories
- Ensuring you don't pay too much super
- Dealing with RESC
- Setting up salary sacrifice super
- Dealing with additional employee super

## Reporting for Super

- Reporting on how much super you owe
- Recording super payments
- Getting super to balance

## Withholding PAYG Tax

- Decoding tax scales
- Checking your tax tables
- Paying as you go
- Recording tax payments

## Producing Payment Summaries

- Setting up payment summaries
- Reporting super on payment summaries
- Selecting who gets payment summaries
- Telling the ATO you did the deed

## Biting the Bullet

### Starting a New Payroll Year

## Part III: Moving On

### Chapter 10: Looking Good with Forms

#### Understanding What Forms are All About

- Figuring out why good-looking forms are smart
- Now you see it . . .
- . . . and now you don't

#### Migrating Forms from Old to New

## Laying Down the Theory

Customising a sale, just like that  
Getting into the lingo  
Saving when the day is done

## Choosing What Info to Display

Getting rid of the dead wood  
Adding new fields and extra columns  
Inserting text with a personal touch  
Working with tables and connecting data

## Dressing Up for a Night on the Town

Making things bigger or smaller  
Fiddling with fonts  
Adding colours willy-nilly  
Moving stuff around  
Going for that boxed-in look  
Lining everything up

## Creating an Image

### Previewing Your Handiwork

Creating your very own test bunny  
Appreciating that size really does matter  
Ironing out the bugs with emailed forms

## Housekeeping Never Ends

## Chapter 11: Reporting for Business

### Five Ways to Cook up a Storm

#### Generating Reports

Adding or removing report columns  
Narrowing down the data  
Sorting info in different ways  
Adding the finishing touches

#### Formatting Reports

[Changing and adding headers](#)  
[Designing your Colosseum](#)  
[Bringing out the artist within](#)  
[Adding logos, shapes and lines](#)

#### [Printing and Saving Reports](#)

[Getting stuff to fit on one page](#)  
[Saving reports for next time around](#)

#### [Creating Custom Reports When MYOB Doesn't Fit the Bill](#)

[Getting Excel to fill the gaps](#)  
[Paying for a custom report, just for you](#)

### [Chapter 12: The Gist of GST](#)

#### [Understanding Where Everything Fits](#) [Setting Up Your Tax Codes](#)

[Looking for speed? Three's all you need](#)  
[Dealing with input-taxed sales or purchases](#)  
[Exporting goods to foreign lands](#)  
[Creating a query code when you don't have a clue](#)  
[Getting rid of excess fat](#)

#### [Picking the Right Code](#)

[Guaranteeing perfection, every time](#)  
[Setting up Tax Codes in your Accounts List](#)  
[Keeping everything squeaky-clean](#)  
[Knowing what not to touch](#)  
[Dealing with transactions when GST isn't 10 percent](#)  
[Getting personal](#)

#### [Doing the Groundwork for Your Activity Statement](#)

[Auditing your own accounts](#)  
[Checking your opening balances](#)  
[Reviewing your final reports](#)

#### [Setting Up Your Activity Statement](#)

[Configuring your statement](#)  
[Matching codes and accounts](#)  
[Saving your settings \(don't forget\)](#)

### [Finalising Your BAS](#)

[Printing your statement](#)  
[Recording your payment or refund](#)  
[Including PAYG tax on your BAS payment](#)

### [Making Up for Your Mistakes](#)

[Fixing mistakes](#)  
[Safeguarding against accidents](#)

## [Chapter 13: Making Electronic Payments](#)

### [Paying Electronically in Three Different Ways](#) [Getting Ready for Electronic Payments](#)

[Setting up employee and supplier details](#)  
[Hooking up your bank account](#)  
[M-Powering yourself — ready or not?](#)

### [Making Your First Electronic Payment](#)

[Recording supplier payments](#)  
[Recording employee payments](#)  
[Marking payments for processing](#)  
[Transmitting an M-Powered Payments file](#)  
[Creating and sending a batch payment file](#)

### [Letting Suppliers Know You've Paid Them](#) [Keeping Track of the Dosh](#)

[Getting status conscious](#)  
[Changing your mind](#)  
[Going back on your word](#)  
[Dealing with rejection](#)

## [Chapter 14: Looking After Your Files](#)

## [Opening Your Company File](#)

[Firing up MYOB](#)

[Opening more than one company file at a time](#)

[Moving your file around](#)

## [Backing Up Is Easy \(You Just Have to Do It\)](#)

[Deciding how often to back up](#)

[Backing up with the latest versions](#)

[Backing up in the cloud](#)

[Backing up on a Mac, or with earlier versions](#)

[Storing your backups — no fibs now](#)

[Backing up over a network](#)

## [Resurrecting Data](#)

[Restoring your company file \(latest versions of MYOB AccountRight\)](#)

[Restoring your file \(Macs and earlier versions\)](#)

[Panic! The black hole beckons](#)

[Naming rules and regulations](#)

## [Sharing Data on a Network](#)

[Adding a network library](#)

[Enabling more than one person to work on your company file at the same time](#)

## [Looking After Your Data](#)

[Doing preventative maintenance](#)

[Verifying your data](#)

[Optimising data](#)

## [Sssh! It's a Secret](#)

[Adding an administrator password](#)

[Adding new users](#)

## [Chapter 15: Understanding Your Business](#)

## Seeing Where the Money's Made

Finding out how jobs work

Figuring out how job reporting can work for you

Creating a new job

Getting rid of jobs

Setting up job budgets

Budgeting for jobs by the month or by the year

## Understanding Financial Statements

Checking out your bottom line

Giving your Balance Sheet a health check

## Working with Budgets and Cashflows

Deciding whether it's gruel for dinner tonight

Forecasting whether you can afford to eat, or not

Lining Up for a Health Check

Taking your Temperature: Account Reconciliations

Balancing the scales

Other accounts

## Going in Deep: The Transaction Review

Reconciling invoices and purchases

Giving inventory a clean bill of health

Troubleshooting inventory when it's sick

Looking to the future, burying the past

Employing a forensic expert

Knowing a red herring when you see one

## Dishing Out Medicine: The Tax Review

Splitting hairs

Taking exception

Reconciling yourself

Making sure the whole deal is spot on

## Heading to the Beach

### Part IV: The Part of Tens

#### Chapter 17: Ten (Well, Almost) Perilous Pitfalls

Danger — Don't Delete if Reconciled  
Never Give Away Your Password  
Don't Stick Your Head in the Sand  
Don't Fiddle with Linked Accounts  
Don't Do Things Twice  
Don't Try to Do Everything at Once  
Don't Let Your Bookkeeper Handle Cash

#### Chapter 18: Ten Tricks to Speed Up Your Work

Use All Ten Fingers  
Play Memory Games  
Hurl Your Mouse Out the Window  
Create Cards Wherever Possible  
Move On to Advanced Searches  
Memorise Regular Transactions  
Record Transactions Automatically  
Tell Suppliers Where to Go  
Stop Printing Stuff  
Get Down with the Latest Versions

#### Chapter 19: Ten Tricks (Eight, Actually) to Starting a New Year

Give Your Company File the Once-Over  
Become an Irritating Pedant  
Jump the Gun  
Lock Yourself Out  
Write Your Password on Your Backups  
Switch Off Auto Confirmation  
Anticipate the Obvious  
Communicate More, Communicate Better

#### Chapter 20: Ten Secrets to Upgrading

Check You Have Enough Muscle

[Contact Your MYOB Partners](#)  
[Do the Groundwork](#)  
[Install the Beast](#)  
[Run the Actual Upgrade](#)  
[Point Everything in the Right Direction](#)  
[Revise Your Backup Routines](#)  
[Migrate Your Forms and BAS](#)  
[Review User Security and Roles](#)  
[Get Acquainted with the Changes](#)

#### [Appendix: MYOB in the Clouds](#)

[MYOB LiveAccounts](#)  
[MYOB Business Platform](#)  
[Protecting your private parts](#)  
[Understanding the benefits](#)  
[Taking the next step](#)
