

IDEOLOGY AND POWER

in the age of
LENIN IN RUINS

Editors
Arthur and Marilouise Kroker
CultureTexts

**Ideology and Power
in the Age of
Lenin in Ruins**

CultureTexts

Arthur and Marilouise Kroker

General Editors

CultureTexts is a series of creative explorations in theory, politics and culture at the *fin-de-millennium*. Thematically focussed around key theoretical debates in the postmodern condition, the *CultureTexts* series challenges received discourses in art, social and political theory, feminism, psychoanalysis, value inquiry, science and technology, the body, and critical aesthetics. Taken individually, contributions to *CultureTexts* represent the forward breaking-edge of postmodern theory and practice.
